What information do we collect and how do we collect it?

We collect information about you when you register an account with us, place an order for our products or services or enroll as a student or subscriber, a “User”, on our site or related courses.

We also collect information when you voluntarily fill out the Contact Us form. Your personal data includes information such as your name, email address, postal address, and phone number.

Website usage information is collected using cookies. When you browse our store, we also automatically receive your computer’s internet protocol (IP) address to provide us with information that helps us learn about your browser and operating system.

Email marketing (if applicable): With your permission, we may send you emails about our store, new products, our site and related course(s), registration, course content, your course progress or other update. We may also use your email to inform you about changes to the course, survey you about your usage, or collect your opinion.

How will we use your personal data?

We collect information about you to process your order (including to send you emails to confirm order status and shipment information), manage your account and, if you agree, email you about new products, events and news.

Personal information collected by Artsamuse LLC. may be used by Artsamuse LLC. for limited purposes, such as record keeping.

How do you get my consent?

When you provide us with personal information to become a user on our site, make a purchase, or participate in the course, you imply that you consent to our collecting it and using it for that specific reason only.

If we ask for your personal information for a secondary reason, like marketing, we will either ask you directly for your expressed consent, or provide you with an opportunity to say no.

How do I withdraw my consent?

If after you opt-in, you change your mind, you may withdraw your consent for us to contact you, for the continued collection, use or disclosure of your information, at any time, by contacting us at info@artsamuse.com or mailing us at: 15819 SE 47th St Bellevue WA 98006 USA

Disclosure

We may disclose your personal information if we are required by law to do so or if you violate our Terms of Service [[Terms of Service](#)].

Payments

If you make a purchase on our site, we use a third-party payment processor such as Stripe or Paypal. Payments are encrypted through the Payment Card Industry Data Security Standard (PCI-DSS). Your purchase transaction data is stored only as long as is necessary to complete your purchase transaction.

All direct payment gateways adhere to the standards set by PCI-DSS as managed by the PCI Security Standards Council, which is a joint effort of brands like Visa, MasterCard, American Express and Discover.

PCI-DSS requirements help ensure the secure handling of credit card information by our site and related courses and its service providers.

Third-Party Services

In general, the third-party providers used by us will only collect, use and disclose your information to the extent necessary to allow them to perform the services they provide to us.

However, certain third-party service providers, such as payment gateways and other payment transaction processors, have their own privacy policies in respect to the information we are required to provide to them for your purchase-related transactions.

For these providers, we recommend that you read their privacy policies, so you can understand the manner in which your personal information will be handled by these providers.

Remember that certain providers may be located in or have facilities that are located in a different jurisdiction than either you or us. If you elect to proceed with a transaction that involves the services of a third-party service provider, then your information may become subject to the laws of the jurisdiction(s) in which that service provider or its facilities are located.

As an example, if you are located in Canada and your transaction is processed by a payment gateway located in the United States, then your personal information used in completing that transaction may be subject to disclosure under United States legislation, including the Patriot Act.

Once you leave our store's website or are redirected to a third-party website or application, you are no longer governed by this Privacy Policy or our website's Terms of Service.

Links

When you click on links on our store, they may direct you away from our site. We are not responsible for the privacy practices of other sites and encourage you to read their privacy statements.

Security

To protect your personal information, we take reasonable precautions and follow industry best practices to make sure it is not inappropriately lost, misused, accessed, disclosed, altered or destroyed.

If you provide us with your credit card information, the information is encrypted using secure socket layer technology (SSL) and stored with a AES-256 encryption. Although no method of transmission over the Internet or electronic storage is 100% secure, we follow all PCI-DSS requirements and implement additional generally accepted industry standards.
